

Aspire Raphael X5 Lift Recline Chair

The Raphael X5 lift recline chair features individual control of all components allowing you to select the perfect comfort position to suit your needs. With customisable material options available, the Raphael X5 is guaranteed to compliment your personal style.

- **Five Action Recliner:** Independent back recline, legrest raise, lumbar support, and adjustable headrest let you take control of your comfort.
- **Zero Gravity and Tilt-in-space:** Create a feeling of weightlessness by elevating your legs above your upper body, with only a limited amount of space needed behind the lift recline chair
- **Electric Adjustable Headrest:** Ideal for watching TV, reading, or relaxing while reclined, ensuring your neck is always well supported
- **Precise and Simple Handset Options:** Achieve the perfect position with the precise handset. An optional simplified handset is available for basic functions. Handset loops allow for easy access on either side of the chair
- **Legrest Extension:** Provides improved support under the lower legs, especially beneficial for taller users (The Petite model is designed without a leg extension, catering to the needs of shorter users)
- **Variable Seat Depth:** A 25mm range of seat depth ensures users achieve an optimal seating position
- **Premium Upholstery Options:** Choose from our range of modern finishes, or speak to our team about our local customisation options.
- **All-day Battery Backup:** The lithium-ion battery keeps you in control during power outages, helping you remain independent and safe at home.
