

Aspire Aerolite Carbon Fibre Powerchair

The AeroLite Powerchair is light, very light. Its modern carbon fibre frame is easy to fold, lift and carry, load into a car and store away so you can explore effortlessly. With two sizes available, we have you covered.

Whether you're adventuring locally or overseas, Aerolite's lithium-ion batteries are approved for air travel, allowing you to explore the world freely. With two batteries included, you won't need to cut social outings short to make it home on a single battery.

The AeroLite makes everyday life easier for users and carers alike.

- **Available in Two Sizes:** 400 mm seat (Blue), 450mm seat (Red)
- **Side Folding Design:** Ideal for travel and easy to lift into the car
- **Tool-free Assembly and Disassembly:** Quick and hassle-free set up
- **Intuitive Joystick:** Simple navigation for stress-free steering and greater control during daily activities
- **Two Lithium-ion Batteries:** Travel with peace of mind with a 30 km battery range (15 km per battery). IATA-approved for air travel**
- **Durable Puncture-proof Tires:** Travel with confidence over different surfaces thanks to AeroLite's solid tires
- **Flip-up Footplates:** Makes transferring in and out of the powerchair quick and easy
- Anterior Seat Height: 480 mm.
- Posterior Seat Height: 440 mm.

**The AeroLite's Lithium-Ion battery is compliant with international regulations. Please check with airlines for specific compliance regarding UN3171
